Jawaharlal Nehru National Urban Renewal Mission
Rapid Training Programme for Elected Representatives of
Trivandrum Municipal Corporation
(22-23 May 2008, Venue: Hotel Classic Avenue, Trivandrum)

Dear Participant,

With a view to bring an awareness on the need, significance and urgency of implementation of reforms under JnNURM the Ministry of Urban Development, Government of India has initiated a Capacity Building Program to all elected representatives of the urban local bodies of the 63 cities covered under the mission.

The objectives of the program are:

- Building awareness and understanding on the context, mission, objectives and significance of reforms and expected impact on the city;
- develop political will and administrative commitment;
- explain their roles and responsibilities in initiation and implementation of reforms and projects relating to infrastructure and basic services to the poor
- develop ownership and positive attitude towards the program
- share good practices, and
- create an enabling environment to accelerate and manage change.

Sponsored by the Ministry of Urban Development, Government of India, the capacity building programs are being organized by the Administrative Staff College of India, Hyderabad and will cover all the Mission cities in the country in phases.
